CERTIFIED

Level 1 BBBEE Rated

# About Us

Control Room and AV Solutions (Pty) Ltd was established in 2016 and specialises in Barco control rooms and general audio-visual equipment sales, installations and maintenance.

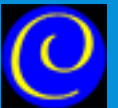

We subscribe to four core values which are prevalent in all that we do:

- Integrity
- Accountability
- Business ethics
- Honour above all

*“We live and breathe a culture of legendary customer service, honesty and accountability”*

- Yusuf R Shaik (Director)

# Barco control rooms

We are the *only* Barco certified integrator for control rooms in South Africa providing services and support throughout Africa.

We provide the following Barco services:

- New videowall and controller sales
- Upgrades to existing control rooms
  - Installation services
  - Ad hoc maintenance
- Service level agreements
- Support and advisory

# Audio-visual

We supply and install boardroom audio-visual solutions, public address systems, conferencing systems and solutions as well as provide maintenance and repair services.

Our products include:

- Projectors
- LCD panels
- Electric projector screens
- Digital signal processing equipment
- Microphones
- Amplifiers and loudspeakers
